

Oak Grove JO Board Meeting

October 21, 2009

Attending: Dan Martinson, Jim Crabill, Staci Roller, Todd Osmundson, Carol McDonald

Absent: Sandy Carlson

- I. Action items were reviewed action items from last month's meeting:
- II. Financial
 - Registration checks will be processed mid-November
 - Sponsorship received from Orthopedic Associates, Fargo Glass & Paint, Marvin Fletcher (Protection Systems) and Kelly Ingerson (KBAA Consulting) to-date, and Small Wonders and Vanity have indicated interest as well
- III. JO Year Set-up:
 - Reviewed registrations in to-date
 - Surprised we didn't have more interest with 12s, thought we would end up with one 5th grade team and one 6th grade team
 - If we are ever short on 18s team, Ken at NCR said to take two juniors and sign up as 17s team <2 girls on roster> then move up who we need
 - Based on numbers this year, there will be no tryouts:
 - Ten – 12s, Nine-14s, Eleven-16s, Nine-18s
 - 16s will have an alternate named by the coach on a weekly basis, this will be based on how practice goes each week, so alternate could change from week to week
 - This option seemed better than cutting one girl based on our experience with alternates last year in the 14s. The alternates played in several tournaments.
 - Coaches have been confirmed: 18s – Lisa L, 16s-Derrick, 14s – Jess H/Katie, 12s – Jim C.
 - **Roster for this forthcoming JO season will be posted out on our website the first week in November**
- IV. Tournaments - OG and Others
 - Rosters need to be turned in to NCR one week ahead of tournament
 - Oak Grove Tournament
 - 6 teams registered to-date (we require registration form/fees before a team is considered confirmed)

V. Facilities

- Gym space is secured for our 2010 JO season again at South Campus and Good Shepherd. The board will be holding a meeting with coaches to determine when teams will practice, and once that is defined it will be posted on the JO website.

VI. Tryouts

- As mentioned above, tryouts are not required due to our numbers this year
